Mr Self-destruct
Nine Inch Nails

From: * (Mommy #3 @5405)
Date: Fri, 28 Jul 95 03:01:20 GMT

Let me warn you, this TAB is not quite as complete as I try to get my NIN tabs, but it contains all the guitar and main synth parts of the song that I could hear in the wall of noise:)
Tune your bottom string down to D (it s not really neccessarry, you can just play the D power chord straight, but the extra bottom string sounds more full, the bass must be tuned down though)
E-mail me with questions/comments/requests...

Verse riff:

```
E-|-------------------------------------------------------------------------------|
B-|-------------------------------------------------------------------------------|
G-|-------------------------------------------------------------------------------|
D-|-7--7-7-7--7-7-7--7-7-7--7-7-7--7-7-7--7-7-7s8s10--------------------------|
A-|-5--5-5-5--5-5-5--5-5-5--5-5-5--5-5-5--5-5-5s6s8---------------------------|
E-|-0--0-0-0--0-0-0--0-0-0--0-0-0--0-0-0--0-0--------------------------------|
```

Chorus riff: Synth end of chorus:

```
E-|-------------------|---------------------------------|---------------------|
B-|-------------------|---------------------------------|-15s13s15s13---------|
G-|-------------------|---------------------------------|---------------------|
D-|-10---11--12s13s14-|-7-7-7-7-7-7-7-7-7-7-7-7-7-7-7-7-|---------------------|
A-|-8----9---10s11s12-|-5-5-5-5-5-5-5-5-5-5-5-5-5-5-5-5-|---------------------|
E-|-------------------|-0-0-0-0-0-0-0-0-0-0-0-0-0-0-0-0-|---------------------|
```

Interlude synth line: Interlude bassline:

```
E-|----------------------|-----------------------------------------------------|
B-|------10--------------|-----------------------------------------------------|
G-|-7--------7--------5--|-----------------------------------------------------|
D-|----------------------|-----------------------------------------------------|
A-|----------------------|-1-1-1-1-2-2-2-2-3-3-3-5---5-----------------------|
E-|----------------------|-----------------------------0-0--------------------|
```
