Forever I m Sorry
6 Cyclemind
Permission to Shine

Intro: **E-D** (6x)

Verse 1:

E D
You said that you d be mine, forever
E D
I took the road with you, forever
E D
You said I m the man, forever
E D
You whisper not to worry, forever
E D
You said that it s better, forever
E D
If I stay here with you, forever

Bridge:

A D
The weather changes like the music fades
A D
And the promise you made will fade away

Chorus:

E G
Forever I m sorry
E G
Forever I m sorry
E G
Forever I m sorry
E G E-G-A
Forever I m sorry

Verse 2: (do Verse 1 chords)

You said that you did not lie, I m sorry
You answered with no questions, I m sorry
You said that dreams will come alive, I m sorry
there s no hope to try, I m sorry
You said that you re sorry, I m sorry
If I give you, I ll lie I m sorry

(Repeat Chorus)

Adlib: **E-G-A-C** (4x) **A-**

(Repeat Chorus)

Coda: **A-**

Time tells a lie, as you show you lie

Collide within my soul

You took me out, you took control

Tell this love to fall, as you keep me in vain

Surprised to hit my bone

You take me out, you fake me, you clone

(Repeat Chorus)
