C xx0232 or x577xx
Em 244222 or 244xxx
Dm 022000 or 022xxx

```
F
They say that living is free

Or at least its supposed to be
       Bb               C
well I guess I pay too much
              F
they say you get what you need

well I dont need what I got
       Bb               C
So I guess I got too much

F             Em      Dm
All I want to do is to breathe
    Bb                          C
And you, I want to breathe with you

F
They tell you not to be scared

but I see signs everywhere
        Bb           C
telling me I best beware

F
They say to keep your nose clean

and always follow your dreams
       Bb               C
well sometimes I have nightmares

F             Em      Dm
All I want to do is to breathe
```

```
    Bb                          C
And you, I want to breathe with you

F
They say to go for the gold

and save it up till your old
               Bb                       C
well im gonna die poor, spended, and young

F
They say to work very hard

and I do, watch me now
       Bb            C
and im gonna get my fun

F             Em      Dm
All I want to do is to breathe
    Bb                          C
And you, I want to breathe with you

F
They try to take up your time

no thanks, I think i ll keep mine
         Bb           C
and keep wasting it away

F
I think that lifes a disease

And i m gonna do what I please
    Bb          C
And stay sick anyway

F             Em      Dm
All I want to do is to breathe
    Bb                          C
And you, I want to breathe with you
```
