Youve Got A Gift
Of Montreal

```
Em      F    Bb
        Ooh, ooh ooh

        F    Bb
        Ooh, ooh ooh

        F    Bb       Bb                    F#      C
        Ooh, ooh ooh. I can see that you re rubbing off

           F            Dm
        on everyone you know.

               B              Db       D         E
        You re rubbing off on me i can feel your incredible glow.

        Bb              F#    C        F              Dm
        I can hear your happy voice in other people s voices.

        B               Db        D         E
        I can hear your beautiful voice sometimes when i speak.

        Gm                    Dm           Bm           Bbm
        You ve got a special gift. Do you see how your changing the

        A      F#m     D        E
        world, just by hanging around?

                G       E               D       E
        just by hanging around, just by hanging around.
```

the rest of the verses follow the same format, then the last 2:30 of the song is: **F# **D#** **F#** **D#** and so on
