I tell nigga don t dick ride, don t bank ride
Leave it to the double thick thighs to insist us
Drop it down and wobble, wobble up
Mami booties up, she get down
And gobble, gobble up
Cause my money up
Sli-slidin in the Bentley truck
Or the range truck or
Your bestie is a dick sucker, a big dubber
As-salama alaykum, you big hater
You re nothin but a hater, hater, cloutchaser.
