Intro: **G# G# G# G#/G Fm7 G# C# Eb Fm G# C# Eb Fm**

```
G#                          C#
Maybe Itâ€™s the chemistry,
Eb                                  Fm
The sparks that fly from you to me
Eb                                Fm
I touch your skin, I feel alive
Eb                                  C#
Been searching for you every night.

Fm                        G#
Where am I supposed to go?
Eb                                Fm
Iâ€™m hoping that you wonâ€™t say no
G#                                 C#  Eb
Weâ€™ve got all the time in the world.

                      Fm G#  C#
It must be the chemistry, tonight
Eb                      Fm
  I hope you that know
G#                        C#    Eb
I wonâ€™t let you go this time

                      C# Fm G#
It must be the chemistry, between you and I
Eb                 Fm
  I hope that you know
G#                        C#   Eb
I wonâ€™t let you go this time

G#                          C#
Underneath the starry sky,
Eb                               Fm
You can bring me back to life.
Eb                                 Fm
I touch your skin, I feel alive
```

Eb **C#**
Been searching for you every night.

Fm **G#**
Take me somewhere I donâ€™t know,
Eb **Fm**
Watch all the people down below,
G# **C#** **Eb**
Weâ€™ve got all the time in the world.

Fm G# C#
It must be the chemistry, tonight
Eb **Fm**
I hope you that know
G# **C#** **Eb**
I wonâ€™t let you go this time

C# Fm G#
It must be the chemistry, between you and I
Eb **Fm**
I hope that you know
G# **C#** **Eb**
I wonâ€™t let you go this time
