A E B

Satyagraha 7 Seconds [Verse 1] There s something in the air, y know we breathe it every day A hatred twisting deeper, razor sharp it cuts its way A poison we re to swallow, I tried it once, I didn t like the taste Say Mother Earth I love you, as I watch you go to waste And we ll sing... [Chorus] A E B Na-na-na-na-na-na, hey! What happened to tryin ? Na-na-na-na-na-na, hey! C#m в. Tumblin down, fired up, fire away! C#m Tumblin down, fired up, fire away! [Verse 2] I m scared cuz I still have so many visions in my head Bandwagon jumping s easy when you fear the dream is dead We re judged by what we look like, how we think and who we are Hey Mother Earth we hear you but we don t know where to start... [Chorus] AEB Е Na-na-na-na-na-na, hey! What happened to tryin ? Na-na-na-na-na-na, hey! в. C#m Tumblin down, fired up, fire away! C#m Tumblin down, fired up, fire away! [Break] AEB AEB AEB

Ε.
Na-na-na-na, Satya-graha
A E Em
[Verse 3]
I wait for you to tell me when we ll reach the finish line
I wash my hands of this hate, I won t embrace this thing so blind
A soul force revolution, it could give us what we need
Destruction ain t no option, it s the end at any speed
[Chorus]
                                                 A E B
                     Е
Na-na-na-na-na-na, hey! What happened to tryin ?
                     Е
Na-na-na-na-na-na, hey!
        в.
                    C#m
Tumblin down, fired up, fire away!
        в.
                    C#m
Tumblin down, fired up, fire away!
[Outro]
Come on now!
G#m A
       В
Push! Pull! Push! Pull!
        в.
                    C#m
Tumblin down, fired up, fire away!
                    C#m
Tumblin down, fired up, fire away!
        в.
                    C#m
Tumblin down, fired up, fire away!
                    C#m
                               E
        в.
                                   В
Tumblin down, fired up, fire away!
