Flight Of The Crow chords
Passenger

Capo II

one two three four

F# B F# 4x

```
     F#        B F#                B               F#   F# B F# 2x
Well sometimes,   I get tired of waking up on my own
    G#m       B                        F#    F# B F# 2x
And sometimes, I feel like I want to go home
        G#m
But the cars they keep on driving

Down a road that doesn t seem to end

         B
So we re following owls in the flight of the crow,
F#
Living where its green,

But what good is it though?

Life getting narrower the further you go,
           B         C#
Sunset s before they rise
     B
It s there in the shadows where nobody goes,
     F#
It s there in the dark but what good is it though,

It s a vanishing point on a shimmering road
                 B        C#    F# B F# 2x
And there when I close my eyes

     F#        B F#
Well sometimes,
```

```
                            B      F#   F# B F# 2x
Yeah, it s hard to know the way to go
         G#m          B
When the waters rise around you
        G#m
And the fire rages down below

         B
So we re following owls in the flight of the crow,
F#
Living where its green,

But what good is it though?

Life gets narrower the further you go,
           B         C#
Sunset s before they rise

     B
It s there in the shadows where nobody goes,
     F#
It s there in the dark but what good is it though,

It s a vanishing point on a shimmering road
                 B        C#
And there when I close my eyes

F#  C#   B     F#
Oh no  oh oh oh
     C#   B     F#
love oh  oh oh oh

            F#
Cause we re bullets and we fire from shot guns
               B                  F#
Flying through birthday s and new years

Yeah, we re rolling stones,

But the moss keeps growing around
B                           F#
Hearts and our eyes and our ears

            F#
Cause we re bullets and we fire from shot guns
               B                  F#
Flying through birthday s and new years

Yeah, we re rolling stones,

But the moss keeps growing around
B                           G#
Hearts and our eyes and our ears
```

```
         B
So we re following owls in the flight of the crow,
F#
Living where its green,

But what good is it though?

Life gets narrower the further you go,
                  C#

It s there when I close my eyes,
     F#            B        C#
Only there when I close my eyes
