Step Out For A While
Patrick Watson

tabbed by syphaxe

[[obligatory humming intro]]

```
Eb    E
Hmmmmm hmmmmmmmm

G#m
Hmmmmm hmmmmmmm
```

[[verse i]]

```
                Eb
It s right about time

                      E
You better pick your poisons right

                       Eb
Take a little walk with me

                                      E
Take a little break from thinking overtime

                 G#m
 cause I need a fever darlin
```

[[verse ii]]

```
                Eb
To make it on time
```

```
                    E
To break a little smile

                      Eb
To give it back the shine

                    E
Sometimes we all need to unwind

                 G#m
Cause I need a fever darling](](](
```

[[chorus - arranged a little different than b4]]

```
                G#m
Step out for a while

                  E                   B
Sometimes we all need to get out from here

E             B
To fill the holes

E               B
Just close your eyes

                  E               C#         F#            Eb
 cause everybody needs to step out for a while - for a while
```
