Intro

**G G Em7 D** 2x

**Em Dsus Em Dsus**  
A king of foreign country heard some rumours in the night  
**Em Dsus D Dsus**  
That some other evil king is now preparing for a fight  
**Em Dsus**  
He assembles all his generals  
**Em Dsus**  
And asks them what to do  
**Em Dsus D G**  
And with sternness in their eyes they look at him and say it s true

**D G**  
We re in the war; oh we re in the war  
**D G**  
We re in the war; oh we re in the war

**Em Dsus Em Dsus**  
They re preparing thousand battleships to sail across the sea  
**Em Dsus D Dsus**  
And the general ahead of them are happy as can be  
**Em Dsus Em Dsus**  
When they reach the other shore they get a warm embrace  
**Em Dsus D G**  
But the generals feel threatened so they shoot them in the face

**D G**  
In the war oh we re in the war  
**D G**  
We re in the war oh we re in the war

**G D Cadd9 Em7**

And in the war you can kill for no reason, it s no crime

**G D Cadd9 Em**

In the war you can do the things you always had in mind

**G D**

In the war you can die

**G D**

In the war you can cry

**G D G**

In the war, in the war, in the war

**G**

**Em Dsus Em Dsus**

And the fairies and the elves are just trying to survive

**Em Dsus D Dsus**

And the lions and the elephants are running for their lives

**Em Dsus Em Dsus**

And the generals are firing seven hundred cannon balls

**Em Dsus D G**

But no one understands what all this is for

**D G**

In the war oh we re in the war

**D G**

We re in the war oh we re in the war

**G D Cadd9 Em7**

And in the war you can kill for no reason, it s no crime

**G D Cadd9 Em**

In the war you can do the things you always had in mind

**G D**

In the war you can die

**G D**

In the war you can cry

**G D G**

In the war, in the war, in the war

**G D G**

Oh, oh, oh, oh, oh

**G D G**

Oh, oh, oh, oh, oh

**G D Cadd9 G**

Oh, oh, oh, oh, oh

**G D Cadd9 Em7**

Oh, oh, oh, oh

**G G Em7**

We re in the war

**D G G Em7 D**

Oh, we re in the war

**Em Dsus Em Dsus**

And now a thousand battle ships are landing on the shore

**Em**                      **Dsus**                      **D**                      **Dsus**  
And one hundred thousand soldiers don't know what they're looking for

**Em**                      **Dsus**                      **Em**                      **Dsus**  
For they cannot find their enemies, no weapons and no war

**Em**                      **Dsus**  
So they start to shoot each other

**D**                      **G**  
Cause that's what they were trained for

**D**                      **G**  
In the war oh we're in the war

**D**                      **G**  
We're in the war oh we're in the war

**G**                      **D**                      **Cadd9**                      **Em7**  
And in the war you can kill for no reason, it's no crime

**G**                      **D**                      **Cadd9**                      **Em**  
In the war you can do the things you always had in mind

**G**                      **D**  
In the war you can die

**G**                      **D**  
In the war you can cry

**G**                      **D**                      **G**  
In the war, in the war, in the war

**G** **D** **G**  
Oh, oh, oh, oh, oh

**G** **D** **G**  
Oh, oh, oh, oh, oh

**G** **D** **Cadd9** **G**  
Oh, oh, oh, oh, oh

**G** **D** **Cadd9** **Em7**  
Oh, oh, oh, oh

**G**  
We're in the war
