     Am                  D                  G
         little girl  {echo} In the arms of someone new?         As you dance,
as you
     Am                  D                  G                   G
             twirl, my heart, it dances with     you...       Dance, dance on
     Am                  D                  G
          little girl {echo},  tell me what I ve done wrong.   Why should he
hold
     Am                  D                  G
         you tight,      while they re playing our song?         Oh, I am
     Em
             watching you,  oh, oh, oh, It can-not-bee-ee....      while I m
     A                                      D                   D
              watching you,    I m wishing it were me....      Dance, dance on
     Am                  D                  G
         little girl, {echo}     tell me, why did we part?       Dance, dance on

     Am                  D                  G
       little girl,             dance out of my heart....
     Am                  D                  G
     {mandolin solo}
     Am                  D                  G                   G
     {mandolin}
     Em
            Oh, I am watching you, oh, oh, oh,   It can-not-bee-ee... while I m

     A                                      D                   D
              watching you, I m wishing, I m hoping it were me....Girl, better
     Am                  D                  G
     on little girl,           tell me, why did we part?          Dance, dance
on
     Am                  D                  G        Em        Am       D
             little girl,           dance out of my heart.....    oh, look at
you,
     G         Em        Am       D         G        Em        Am       D
       well you go, silly girl, yes I know that you re wrong, wrong, wrong,
because you
     G         Em        Am       D         G
     know that you re go-o-one.....
