

Long Way

77 Bombay Street

guitar in standard tuning (EADGBE)

[Intro and verses]

2 times: **Am, C, G, F,**

Am

It s time for wakin up now

C

it s time to take my rags

G

I m leavin my own town now

F

I m leavin with my bags

Am

I close the doors behind me

C

into the hills I go

G

If you could only see me

F

cause I want you to know

Am

C

It s a long way

G

F

out of my own town into your own town

Am

C

It s a long way

G

F

out of my own town into your own town

Am

I m playin with the fairies

C

I m drinkin from their wine

G

I m singin to the music but

F

I know it s in my mind

Am

Don t care about the maker

C

don t care about the world

G

I m looking for the answers

F

while I m walkin in the dirt

Am

I m walkin over mountains,

C

I sail across the sea

G

I meet all kind of creatures

F

and I feel you re here with me

Am

I m talkin to the people,

C

I ask them for the way

G

But they only stare at me

F

believe no word I say

Am

C

It s a long way

G

F

out of my own town into your own town

Am

C

It s a long way

G

F

out of my own town into your own town

Am

C

And it s a long way

G

F

out of my own town into your own town

Am

C

I ts a long way

G

F

a long lonely way a lonely way

Am

I know I walk in circles

C

they say that I m insane

G

But since the day you died

F

something changed in my brain

Am

Well it was just too much for me

C

I found no help in talking

G

Who can show me where to go

F

I have to keep on walking

yeaahhh

You you re the only one in my mind

You you re the only one in my mind

and so ON it is always the same,

AM, C, G, F

And it s a long way

out of my own town into your own town

I ts a long way

out of my own town into your own town

And it s a long way

out of my own town into your own town

I ts a long way

a long lonely way

I keep on walkin

I keep on walkin

I m walking walkin on

I keep on walkin

I keep on walkin

I m walking walkin on

I keep on walkin

I keep on walkin

I m walking walkin on

I keep on walkin

I keep on walkin

I m walking walkin on

I m walking on
