Dont Let It Bring You Down
Paul McCartney

```
Dm                    C        G       A7
Though some things in life are hard to bear
F     G      A7        Dm
Don t let it bring you down
Dm                  C        G      A7
Should the sands of time run out on you
F     G      A7        Dm
Don t let it bring you down

Am             F             Dm
Don t go down, don t go underground
Am                            Bb
Things seem strange, but they change
          A7
How they change

Dm               C   G         A7
Up and down your carousel will go
F        G      A7        Dm
So don t let it bring you down

Dm    C    G    A7    F    G    A7

Am             F             Dm
Don t go down, don t get out of town
Am                 Bb           A7
Get to know how it goes, how it goes
Dm                 C       G      A7
When the price you have to pay is high
F     G      A7        Dm
Don t let it bring you down

Dm    C    G    A7

F       G      A7         Dm
Don t let it bring you down
