You Want Her Too
Paul McCartney

```
C              A7    Dm
 She makes me go so wrong,
        G
(Yeah, you kept me awake you know you did).
C               A7    Dm
 I ve loved her oh so long,
     G
(So why don t you come right out and say it, stupid?).

F               C
 She makes me do things I don t want to do,
F              Am
 I don t know why I should be telling you.
Am           F            C
I know that you want her too.

My intentions are quite sincere
(That s not what you said the other night).
And all you can do is sneer,
(Go ahead and kid yourself you re right).

She makes me do things...

           Dm                      G
I ve got a better chance than you do,
Am           F            C
I know that you want her too,
               Dm          G
you re such a hopeless romantic.
Em                         A
She told me you re so predictable and nice.
F#m                                                B
She only did you a favour once or twice, once or twice.

She makes me go so...

She makes me do things...
I know that you want her too.
I know that you want her too.
