Dm **Am** **C** **G**
And I m still waiting for tomorrow, tomorrow.

Dm **Am** **G**
Why does tomorrow never come?

And I m still waiting for tomorrow, tomorrow.
Why does tomorrow never come?

Prison bars are all around me.
There re so many things I d love to make undone.
I have forgotten what it feels like to be free, to choose the way I wanna live
Hours are days and weeks are years now.
And in this place it seems that time s standing still.

A fallen tree, a carrying sunshine.
Winds of hope are taking me so far away.

Hours are days and weeks are years now.
And in this place it seems that time is standing still.
