```
C#                  F#
If I ever were to lose you
                  C#
I d surely lose myself
                    F#
Everything I have found dear
               C#
I ve not found by myself
                            F#
Try and sometimes you ll succeed
                  C#
To make this man of me
                         F#
All my stolen missing parts
                    C#
I ve no need for anymore

C#     G#
I believe
          F#                C#
And I believe cause I can see
     G#     F#
Our future days
         G#      C#
Days of you and me

C#                          F#
Back when I was feeling broken
                 C#
I focused on a prayer
                       F#
You came deep as any ocean
                          C#
Did something out there hear?
                            F#
All the complexities and games
                                          C#
No one wins but somehow they re still played
                           F#
All the missing crooked hearts
                              C#
They may die but in us they live on

C#     G#
I believe
          F#                C#
And I believe cause I can see
```

```
      G#     F#
Our future days
         G#      C#
Days of you and me

      G#                Bbm
When hurricanes and cyclones raged
       G#                    C#
When winds turned dirt to dust
       G#                   Bbm
When floods they came or tides they raised
       F#           G#   G#7
Ever closer became us

 C#                      F#
All the promises at sundown
                           C#
I ve meant them like the rest
                              F#
All the demons used to come round
                           C#
I m grateful now they ve left
                      F#
So persistent in my ways
                         C#
Hey Angel I am here to stay
                    F#
No resistance, no alarms
                                        C#
Please, this is just too good to be gone

C#     G#
I believe
          F#                 C#
And I believe cause I can see
      G#     F#
Our future days
         G#      C#
Days of you and me
 G#      C#
You and me
 F#
Days...
 G#      C#
You and me
```
