WAKE ME UP

Intro: **Dm C G** (x4)

Dm   C   G
Gonna save the world today
Dm   C   G
Aliens take me away
Dm   C   G
The whole world seems to be a disaster
Dm   C   G
I run run run but I can t get faster

Dm   C   G
I can fly when I m spreading my arms and
Dm   C   G
I never die and I never get harmed and
      Dm   C   G
I m gonna save the princess and the queen
        F   C   G
And all I wanna do, forever dream

        Dm   C   G
Oh, wake me up in the morning
        Dm   C   G
Until then my life isn t boring
          Dm   C   G
And if you don t mind then let me stay
      F   C   G
I d rather keep sleeping all day

Dm C G (x2)

Dm   C   G
I m gonna make it to the mountain top
Dm   C   G
I m gonna do it like James Bond, I m a lover
Dm   C   G
Riding on the back of a blue dragon breed
Dm   C   G
Diving in the ocean where the mermaids meet

Dm   C   G
I can fly when I m spreading my arms and
Dm   C   G
I never die and I never get harmed and
      Dm   C   G

```
I m gonna save the princess and the queen
      F           C              G
And all I wanna do, forever dream

      Dm       C          G
Oh, wake me up in the morning
        Dm       C          G
Until then my life isn t boring
        Dm         C          G
And if you don t mind then let me stay
      F             C          G
I d rather keep sleeping all day

Dm C G
   Dream...  (x4)

F           Am          C              G
I m flying on like this song around the world
                            F
While I am staying right here
        Am           C              G
In your bed, let the fever fairy pop my head
    F         Am          C
And if you can catch up with me
                    G
We re gonna save the world
                    F
If you just lie in my arms
        Am           C              G
No one stops us from flying up to the stars

      Dm       C          G
So wake me up in the morning
        Dm       C          G
Until then my life isn t boring
        Dm         C          G
And if you don t mind then let me stay
      F             C          G
I d rather keep sleeping all day

Dm       C        G
Wake me up in the morning
        Dm       C          G
Until then my life isn t boring
        Dm         C          G
And if you don t mind then let me stay
      F             C          G
I d rather keep sleeping all day
      F             C          G
I d rather keep sleeping all day

Dm C G (x4)
