     C         Eb           Bb          F
The selfish, they re all standing in line
 C            Eb         Bb              F
Faithing and hoping to buy themselves time
 C     Eb         Bb                F
Me, I figure as each breath goes by
  Eb    F       C  C4
I only own my mind

     C           Eb               Bb          F
The north is to south what the clock is to time
        C                 Eb                 Bb         F
There s east and there s west and there s everywhere life
    C         Eb           Bb             F
I know I was born and I know that I ll die
    Eb      F   C   C4  C
The in between is mine
Eb F   C
I am mine

         F             Gm         C  C4 C
And the meanings that get left behind
          F          Gm          C  C4 C
All their innocence lost at one time
      F       Gm          C C4 C
Significant, between the lines
            Bb
There s no need to hide

We re safe tonight
