Bm    A    G    F#
Ooooooooooooooooooh
Bm    A    G    F#
Ooooooooooooooooooh

               Bm               A
Mary, did you know that your baby boy
      G                F#
Will one day walk on water
               Bm               A
Mary, did you know that your baby boy
      G                   F#
Will save our sons and daughters

         G               A
Did you know that your baby boy
       D      A      Bm
Has come to make you new
       G                   Em
This child that you ve delivered
     F#
Will soon deliver you

               Bm               A
Mary, did you know that your baby boy
       G                F#
Will give sight to a blind man
               Bm               A
Mary, did you know that your baby boy
       G                  F#
Will calm a storm with his hand

         G               A
Did you know that your baby boy
       D        A        Bm
Has walked where angels trod
        G                  Em
When you kiss your little baby
        F#
You ve kissed the face of God

                        Bm   A     G    F#
Mary, did you knoooooooooooow
                        Bm   A     G    F#
