                            Dry Spell - Pepper
-------------------------------------------------------------------------------
Tabbed by: Hostile Apostle

Please send suggestions and corrections to Mareed129@aol.com

Tuning: Standard

      Dm   G    A
e|----5----3----5------------------------|
B|----6----3----5------------------------|
G|----7----4----6------------------------|
D|----7----5----7------------------------|
A|----5----5----7------------------------|
E|---------3----5------------------------|

Dm
Stealing whatâ€™s been stolen
                                          G   A
And whatâ€™s given, man I don t get for free
Dm                                          G   A
Couldn t find a reason but put the blame on me
Dm                                  G   A
Taking water while the well is dry
Dm                                          G   A
And the devil s always smiling when you pass by

Dm                                                  G   A
Drifting on my shattered piece of sorry stubbornness
Dm                                            G   A
One more mistake but I really need that risk
Dm                                             G   A
I ve noticed roots and the rhythm remain, whoa
Dm
But they re never like they seem
                                 G   A
And now the stories lost it s theme

      D    F    Bb   D#        G    A
e|------------------------|--------------|
B|------------------------|--------------|
G|----7----10--------8----|--------------|
D|----7----10---8----8----|----5----7----|
A|----5----8----8----6----|----5----7----|
E|--------------6---------|----3----5----|
```

```
D     F            Bb            D#
Right back where I first started from
D        F             Bb        D#
They all listen when I play this rhythm
D        F             Bb       D#
Break it off when it s given to me
D                   F             Bb      D#
Don t worry if it s over I m just waiting patiently

         G    A                  G    A
Before I Pick up the lovin  that hold me down
G       A                            G    A
Them no try and come after me in this underground
G    A             G  A
Whom god bless let no man curse
G   A                              G    A
The first will be the last and the last will be the first
```

Fill (First played at 1:28)

```
e|----8----6----5-----------------------|
B|----10---8----6-----------------------|
G|----9----7----7-----------------------|
D|----10---8----7-----------------------|
A|--------------------------------------|
E|--------------------------------------|
```

```
Dm                        G   A
So I sloped into the room
Dm                                     G   A
Playing my guitar in my worn out shoes
Dm                                                G   A
I want to hear the sound just like a stage show
Dm
Where they all lose control
                          G   A
And it never let s you go

D     F            Bb            D#
Right back where I first started from
D        F             Bb        D#
They all listen when I play this rhythm
D        F             Bb       D#
Break it off when it s given to me
D                   F             Bb      D#
Don t worry if it s over I m just waiting patiently

         G    A                  G    A
Before I Pick up the lovin  that hold me down
G       A                            G    A
Them no try and come after me in this underground
G    A             G  A
Whom god bless let no man curse
G   A                              G    A
```

The first will be the last and the last will be the first
