Help Me
7eventh Time Down
[Intro]
|Bm / / / |D / / / |A / / / |E / / /
[Verse 1]
Bm
                            D
Pouring out my heart, it s broken
   Α
                        Е
In pieces again, still breaking at the bends
      Bm
                                 D
Tears fallin from my eyes, from coping
А
                                  Е
Will the cycle end, I m thinking I just need a friend
[Pre-Chorus 1]
Bm
            D
Same brain, different day
Α
                        Е
Everybody says that it just takes faith
Bm
          D
My life s crushing me
                      Е
Α
Looking for a reason to believe
N.C.
God I need a breakthrough, so
[Chorus]
Bm
  Help me, help me
D
I don t have the words to say
Α
 Help me, help me
    \mathbf{E}
I m tired of locking my own chains
Bm
             р
How can I survive?
                     Α
This life, dying to thrive
E
 Help me, help me
[Post-Chorus]
Bm
```
