The Dancer
PJ Harvey

intro:**Am G F E7**

Am **Dm** **E7**
He came riding fast like a phoenix out of fire flames
Am **Dm** **E7**
He came dressed in black with a cross bearing my name
Am **Dm** **E7**
He came bathed in light and the splendor and glory
Am **Dm** **E7**
I can t believe what the lord has finally sent me

(**Am Dm E7**)
He said dance for me, fanciulla gentil
He said laugh a while, i can make your heart feel
He said fly with me, touch the face of the true god
And then cry with joy at the depth of my love

(**Am Dm E7**)
Cause i ve prayed days, i ve prayed nights
For the lord just to send me home some sign
I ve looked long, i ve looked far
To bring peace to my black and empty heart

intro:**Am G F E7**

(**Am Dm E7**)
My love will stay till the river bed run dry
And my love lasts long as the sunshine blue sky
I love him longer as each damn day goes
The man is gone and heaven only knows

(**Am G F E7**)
Cause i ve cried days. I ve cried nights
For the lord just to send me up some sign
Is he near? Is he far?
Bring peace to my black and empty heart

(**Am G F E7**)até o fim...
So long day. So long night
Good lord, be near me tonight
Is he near? Is he far?
Bring peace to my black and empty heart
