A Human Body
Queen

```
  D
They were talking in whispers
G
In bear skins and fur
        D                       G
Captain Scott and his heroes to be
        E
To have labored so long
        Em
To have made it this far
G                    C        C7
Ooh it s been such a long ride
G                        C       C7
Ooh you know it s been a long way
      D      Am   A
For a human human human
C                    G
For a human body you see

Can you believe
           G7              G
It happens now, it happens here
Am
Do you believe
       A
Do you believe. or really care
G
Can you believe
           G7              G
It happens now, it happens here
     Am     A
To a human, human
C                     G
With a human body you see

D                                   G
There ain t nobody gets out of this moonlight
D                     G
Today is surprisingly fair
Am   C        G
Oh? oh woo woo

D                      G
We ve got problems the Lone Ranger can t fix
D                          G
The invisible man couldn t see
E
```

```
It takes a tough guy
   Em
To learn some new tricks
G                   C         C7
Ooh it takes such a long time
G                    C        C7
Ooh it s been such a long way
      D     Am    A
For a human human human
C                    G
For a human body you see

Can you believe
           G7              G
It happens now, it happens here
Am
Do you believe
       A
Do you believe. or really care
G
Can you believe
           G7              G
It happens now, it happens here
     Am     A
To a human, human
C                   G
To a human body you see

G                          C
You know it s been such a long while
(It s been such a long while)
G            C
Takes such a long time
(It takes such a long time)
G                C
It s been such a long way
(Been such a long way)
G                C
It s been such a long while
(Been such a long while)
G         C         G         C       G
Yeah yeah yeah yeah yeah yeah!
C                    G
It s gonna be a long ride
```
