If you re telling me you want me
Hold me close all through the night
I know, deep inside you need me
No one else can make it right
Don t you try to hide your secrets
I can see it in your eyes
You said the words without speaking
Now I m gonna make you mine

Give me just one night (una noche)
A moment to be by your side
Give me just one night (una noche)
I ll give you the time of your life
The time of your life! (Ooh ooh)
