Randy Travis

[Verse]

```
C#                  F#           C#
You may think that I m talking foolish
       F#                          C#
You ve heard that I m wild & I m free
    F#                    C#
You may wonder how I can promise you now
      Eb                           G#
This love that I feel for you always will be
C#               F#              C#
Well you re not just time that I m killing
    F#                       C#
I m no longer one of those guys
    F#                   C#
As sure as I live this love that I give
    Eb                       G#
Is gonna be yours until the day that I die  --  Oh baby
```

[Chorus]

```
C#          F#       C#        F#               C#
I m gonna love you forever, forever & ever amen
   F#                      C#
As long as old men sit & talk about the weather
   Eb                       G#
As long as old women sit & talk about old men
        C#          F#            C#
If you wonder how long I ll be faithful
         F#                Eb
I ll be happy to tell you again
F#          G#          C#       F#     Eb        G#    C#

[Verse]

```
C#                          F#       C#
They say time takes it s toll on a body
           F#                           C#
Makes the young girls brown hair turn grey
     F#                                C#
But honey, I don t care, I ain t in love with your hair
          Eb                      G#
And if it all fell out well I d love you anyway
```

```
                C#               F#           C#
They say that time can play tricks on a memory
      F#                          C#
Make people forget things they knew
         F#                 C#
But it s easy to see it s happening to me
       Eb                      G#                          C#
I ve already forgotten every woman but you  ---  Oh darlin

[Chorus]

C#          F#       C#        F#               C#
I m gonna love you forever, forever & ever Amen
   F#                       C#
As long as old men sit & talk about the weather
   Eb                        G#
As long as old women sit & talk about old men
        C#          F#            C#
If you wonder how long I ll be faithful
     F#                        Eb
Just listen to how this song ends
F#          G#          C#       F#     Eb        G#    C#
I m gonna love you forever & ever, forever & ever Amen

F#         G#           C#       F#    Eb      G#
