One Promise Too Late
as recorded by Reba McEntire

```
C            G         F
I would have waited forever
        C                  Am
if I d known that you d be here.
F             C                G
We could have shared our lives together
    Dm         F          G               G7
and held each other close all through the years.

But I met someone before you
and my heart just wouldn t wait,
So no matter how much I adore you
I ve got to stand behind this promise that I made.

CHORUS:
           Am  F                 C
Where were you when I could have loved you?
           Am         F             G  G7
Where were you when I gave my heart away?
       F     G          Am         F
All my life, I ve been dreaming of you
           C       G           Am F
You came along one promise too late
           C       G           C
You came along one promise too late.

        (INSTRUMENTAL)

BRIDGE:
Em                  Am
I won t say that I m sorry that I met you.
```

```
Em                      F           G      G7
I can t have you but I never will forget you.

Where were you when I could have loved you?
Where were you when I gave my heart away?
All my life, darling, I ve been dreaming of you.
You came along one promise too late.
You came along one promise too late.
