

Feelin Alright With The Crew

999

(standard tuning)

guitar 1

```
|-----1-----|-----1-----|
|-----1-----|-----1-----|
|-0-----2-----|-----2-----|
|-----3-----|-----3-----|
|-----|-----|
|-----|-----|
|-----1-----|-----3-----|
```

it pretty much just alternates between those 2 parts throughout the song.

guitar 2

```
|-3-3-3-3-|
|-3-3-3-3-|
|-----|
|-----|
|-----|
|-----|
```

and guitar 2 does that for almost the whole song.

```
|-----|-----|
|-----|-----|
|-----0-----0-----|-----|
|-----3-----3-----|-----5-6-7-|
|---1-----0---1-----7--7-|---4-5-6-7-|
|-3-----3-----5-5-|---5-----|
```

```
|-----1-----|
|-----1-----|
|-----2-----|
|-----|
|-----3-----|
|-3b(5)~-----|
```

the next part is basically that over and over but jazzed up a little different every time.

```
|-----1-----|
|-----1-----|
|-0-----2-----|-----2-----|
|-----3-----|-----3-----|
|-----|-----|
|-----1-----|-----3-----|
```

and then that goes to the end.
