Around The Sun
R.E.M.

```
E           G              D             F#m
I want the sun to shine on me
I want the truth to set me free
I wish the followers would lead
with a voice so strong it could knock me to my knees

G                  Bm                    D       E
Hold on world cos you don t know what s coming
Hold on world cos I m not jumping off
Hold on to this boy a little longer
C              G              D
Take another trip around the sun

If I jumped into the ocean to believe
If I climbed a mountain would I have to reach?
Do I even dare to speak, to dream, believe?
Give me a voice so strong I can question what I have seen

Hold on world cos you don t know what s coming
Hold on world cos I m not jumping off
Hold on to this boy a little longer
Take another trip around the sun
            D   (  D   D7  D6  D/Bb )
