

No Pity

999

(standard tuning)

```

|-----| chorus
|-----|
|-----|
|-----|
|-----| -7--5-----7-----|
|-----| -5--3--5---5-7--7-7-7-7-|
|-0-0-0-0-0-0-0-0-0-|-----3-----5--5-5-5-5-|

```

do that a few times.

```

|-----|
|-----|
|--4p2p0--|
|-----|
|-----|
|-----|

```

it went too fast to count all the times you do that so just play it by ear and then...

```

|-----|
|-----|
|--4/9--| chorus
|-----|
|-----|
|-----|

```

```

|-----|
|-----|
|-----|
|-----|
|-----| 7-----|
|-----| 5--7--7-7-7--7-7-7-7--|
|-0-0-0-0-0-0-0-----5--5-5-5--5-5-5-5--|

```

keep doing that until it fades out at the end.
