SITTING STILL  (Bass Tab)

From: Christopher Gantner (*)

Introduction and  I can hear you

Note the  .  s are on the tab to seperate notes.  They have no value in counting time.  Each - is a quarter beat.

```
G|-------------------------------------------------------------
D|----------------------------------------------9.9.9.9.9.9.9.9-
A|*
E|-------------------------------------------------------------

G|---------------------------
D|---------------------------
A|*
E|---------------------------
```

Towards the end of the song there will be a line where the 9 s on the D string will not be played.  Insted just play the 9 s on the A string like the first part of the riff.

Verse

```
G|---------------------------------------------
D|---------------------------------------------
A|7.7.7.7.7.7.7.7.7.7.7.7.7.7.*
E|*
```

End the verse with this riff after the pull-off

```
A|---7.9-
E|7H9----
```

Up to buy...

```
G|*
D|*
A|--------------------------------------9-9-----
E|---------------------------------------------
```

on the second time through insted of doing the 9th fret on the A string

just play a single 9 on the D string as a transition

Close

```
G|--------------------------
D|-------------------------- X2
A|*
E|--------------------------

G|-----------------------------------
D|-----------------------------------
A|*
E|-----------------------------------
```

This tab is close to the real song.  Listen to the song carefully for the rhythem.
