[Intro]:

Dm

Dm **Dm**
The hidden persuaders are gonna infiltrate us
Dm **Gm** **Dm**
Till babes in consumer land can supply and demand and the spending s contageous

Dm **Dm**
Do you reckon it s outrageous that they re paying the entertainers,
Dm **Gm** **Dm**
To get you buying the jeans that you don t really need from the fashion dictators?

Gm **Dm**
Cause they re all trying to make me compromised
Gm **Dm**
To these one a dollar conners telling lots of lies
Gm **Dm** **A7**
Am I as bad as them and you just realise that it s true

Dm **Gm**
Cause you re free, to do as we tell you
F **A7**
And you re free, to do as we say
Dm **Gm**
And you re free, to do as we tell you
F **A7**
And you re free, to do it today

Dm **Dm**
We ve been at it for ages, creating black holes from wages
Dm **Gm** **Dm**
To get you all hypnotised by the big dollar signs of the manipulators

Dm                      Dm
The hidden persuaders, are gonna infiltrate us
Dm            Gm                                          Dm
Till babes in consumer land can supply and demand and the spending s contageous

Gm                                        Dm
They call it product placement in the industry
Gm                                                  Dm
Cause it s designed to get you buying all the things you see
Gm                                  Dm          A7
Do you think they re hoodwinking society and you?

              Dm                 Gm
Cause you re free, to do as we tell you
           F                  A7
And you re free, to do as we say
           Dm                 Gm
And you re free, to do as we tell you
           F              A7
And you re free, to do it today
           Dm                 Gm
And you re free, to do as we tell you
           F                  A7
And you re free, to do as we say
           Dm                 Gm
And you re free, to do as we tell you
           F              A7
And you re free, to do it today
