Robot Girlfriend
Rhett & Link

(Verse 1):

```
 F              A7         Dm   C    Bb
I ve never had too much luck with females
 F                  A7         Dm    C   Bb
I m not confident unless I m writing an email
 Gm                   C
But my life would be so sublime
 Gm                   C
If I bought a robot girl online
```

I d never hear her silicon mouth complaining
about my dry scalp or my excessive gaming
She s my Small Wonder, I m her Voltron
I flip a switch and it turns her on!

(Chorus):

```
           F  A7      Dm   C   Bb
My robot girl--------- friend... the best relationship I d ever be in
```

(Verse 2):

She s got a grip stronger than an ape
And she can calculate a tip to the twenty-fifth decimal place
Though we can t go outside in rainy weather
We can still play solitaire together

Meeting her folks would be no real cause for fear
They re just a team of friendly Japanese engineers
If I ever start to think that she might leave me
I ll de-frag her hard drive and wipe her memory

(Chorus):

My robot girlfriend...the best relationship I d never be in.
