Well, it s been a few days now, so how have you been
D#m C# B C#
Not that I should know what state you re in

I could care less

D#m C# D#m C#
Well, I just bawled my eyes out and feel really relieved
D#m C# B C#
Not that I threw up enough to fully retrieve

B C#
I m still a mess

D#m C#
But what really helps a lot is the knowledge
B B
That it s nothing but the time it takes

D#m
You gave me meals for thought
C# B B
And Robin a laughing break

D#m
How quickly will he re-enter the lists?
C#

Don t correct me if I m wrong
B B D#m
I m sure that grudge exists (especially hisÃ¢ÄÂ|)
C# B D#m
And that mine will make a brilliant song
C# B B

D#m C#

But what really helps a lot is the knowledge

That it s nothing but the time it takes
D#m
You gave me meals for thought
C# B B
And Robin a laughing break
D#m
How quickly will he re-enter the lists?

Don t correct me if I m wrong

I m sure that grudge exists (especially his))
C# B D#m C# B
And that mine will make a brilliant song
