

Haze Of Amber
A Band Of Buriers

It s just the same four chords repeated throughout, I m not entirely sure about the key either so tell me if I m wrong.

The G* is played (320005), I don t know if it has a name.

D E G G*

I know less than yesterday.

D E G G*

Come rest with me so we can dream alone.

It continues in exactly the same way throughout.

Not particularly detailed but I think it s informative.
