Dear Karen

```
     F# A#              D#m
Many things that surround us
    B        F#
may go and disappear
         C#              D#m
But everywhere there is music,
  B             F#   C#
I know that you hear
      F# A#           D#m
Oh, I breathe in your gift of
B        F#
love and rejoice
      C#               D#m
Everywhere I feel your love,
    B      C#      F#
how I long for you voice

D#m               G#                      D#m
I was just a shy kid, in the gem that I hid
                       G#
Had no place in the world
                     B     F#    C#
Till  you opened me up

        F#             A#      D#m          G#
All the love that you give is more than a melody
     B          D#m
It s all that I hear
   B          C#
beneath every line
        F#             A#     D#m           G#
All the love that you give I live in your legacy
     B         D#m
It s all that I am,
         B               D#m
you have lead me to this time,
        B         C#
Telling me how to live a life

F# A# D#m C# B C# F#

         F# A#            D#m
Shallow fickle hearted people,
 B            F#
they come and go
```

```
          C#            D#m
While you stay right beside me,
B      F#    C#
this I know
      F# A#            D#m
Oh, I breathe in your gift of
B        F#
love and rejoice
      C#                D#m
Everytime I feel your love,
    B      C#      F#
I m saved by your voice

D#m               G#                      D#m
I was just a shy kid, in the gem that I hid
                       G#
Had no place in the world
                     B     F#    C#
Till  you opened me up

        F#             A#      D#m          G#
All the love that you give is more than a melody
     B          D#m
It s all that I hear
   B          C#
beneath every line
        F#             A#     D#m           G#
All the love that you give I live in your legacy
     B         D#m
It s all that I am,
         B          D#m
and this man that I love
         B     C#
Safe and sound next to me

         F#  A#        D#m     B               F#
And this song that I m singing would play it s part
   C#                     D#m
As long as this chain of love
 B        F#     C#
won t fall apart
        F#  A#     D#m     B        F#
When my body surrenders to time naturally
           C#              D#m
While this song could exist here
B    C#
eternally
