Dear Karen
Rie fu

```
     E G#             C#m
Many things that surround us
    A        E
may go and disappear
         B             C#m
But everywhere there is music,
  A             E   B
I know that you hear
      E G#           C#m
Oh, I breathe in your gift of
A        E
love and rejoice
      B               C#m
Everywhere I feel your love,
    A      B      E
how I long for you voice

C#m              F#                      C#m
I was just a shy kid, in the gem that I hid
                       F#
Had no place in the world
                     A     E    B
Till  you opened me up

        E            G#      C#m         F#
All the love that you give is more than a melody
     A          C#m
It s all that I hear
   A          B
beneath every line
        E            G#     C#m          F#
All the love that you give I live in your legacy
     A         C#m
It s all that I am,
         A               C#m
you have lead me to this time,
        A         B
Telling me how to live a life

E G# C#m B A B E

         E G#           C#m
Shallow fickle hearted people,
 A            E
they come and go
```

```
          B           C#m
While you stay right beside me,
A      E    B
this I know
      E G#           C#m
Oh, I breathe in your gift of
A        E
love and rejoice
      B               C#m
Everytime I feel your love,
    A      B      E
I m saved by your voice

C#m               F#                      C#m
I was just a shy kid, in the gem that I hid
                       F#
Had no place in the world
                     A     E    B
Till  you opened me up

        E            G#      C#m         F#
All the love that you give is more than a melody
     A          C#m
It s all that I hear
   A          B
beneath every line
        E            G#     C#m          F#
All the love that you give I live in your legacy
     A         C#m
It s all that I am,
         A          C#m
and this man that I love
         A     B
Safe and sound next to me

D . A .  E B C#m B A . B

         E  G#        C#m     A               E
And this song that I m singing would play it s part
   B                    C#m
As long as this chain of love
 A        E     B
won t fall apart
        E  G#     C#m     A        E
When my body surrenders to time naturally
           B              C#m
While this song could exist here
A    B
eternally
```
