Angels
Robbie Williams

```
F
I sit and wait
                     Bb9     Bb       C
Does an angel contemplate my fate
               F
And do they know

The places where we go
                   Bb9  Bb     C
When we re grey and old
               Gm
Cos i ve been told
       Bb                  Dm              Bb
That salvation lets their wings unfold
           Eb
So when I m lying in my bed
        Bb/C#
Thoughts running through my head
     F
And I feel that love is dead
Eb     Bb/C#              F
I m loving angels instead
              C                     Dm
And through it all she offers me protection
                   Bb
A lot of love and affection
                     F
Whether I m right or wrong
                  C
And down the waterfall
               Dm
Wherever It may take me
                       Bb
I know that life won t break me
              F/G#                 Gm
When I come to call she won t forsake me
Eb           Bb/C#     F
I m loving angels instead

F                                                Bb9     Bb       C
When I m feeling weak and my pain walks down a one way street
            F                                  Bb9   Bb          C
I look above and I know I ll always be blessed with love
    Eb
And as the feeling grows
              Bb/C#
She breathes flesh to my bones
```

```
    F
And when love is dead

Eb         Bb/C#         F
I m loving angels instead
              C                    Dm
And through it all she offers me protection
                     Bb
A lot of love and affection
                     F
Whether I m right or wrong
                  C
And down the waterfall
               Dm
Wherever it may take me
                      Bb
I know that life won t break me
              F/G#                 Gm
When I come to call she won t forsake me

Eb          Bb/C#      F
I m loving angels instead
