**G** **D** **Em** **C** **G**  
Have it your way and maybe one day we'll see who you really are  
**G** **D** **Em** **C** **G**  
Stay with him all your life and see just how far

(chorus)

**G** **D** **C** **D**  
He takes you and how long till he breaks you  
**G** **C** **D** **G**  
Untill you see that your better of with me

(intro)

**G** **D** **Em** **C** **G**  
Look into my eyes and tell me your truly in love with him  
**G** **D** **Em** **C/G**  
Do you think he'll say the same thing

(chorus)

(bridge)

**C** **D** **G** **C**  
I swing my fist and he falls down now I know that you ll never come around  
**C** **D** **G** **C**  
You help him up and he says thanks but does he really mean it anyway

**C** **D** **G**  
**C** **D** /  
I'm sorry that I made him bleed but maybe one day you will see that you  
better off with
