

## Elephant

### A Camp

**C**                    **Dm**    **Am**  
I caught you smiling  
          **G**        **F**  
with pointed teeth  
**C**                    **Dm**        **Am**  
what once was beautiful  
                  **G**                **F**  
has turned bitter and cheap  
**Em**    **Dm**  
So now there's nothing I can do for you  
**Em**    **Dm** **F**  
but leave your roses out to die

**Am** **G** **F**  
I misbehaved  
          **Am** **G** **F**  
I'm in your way  
          **Am** **G** **F**    **Em**        **Dm**                **C**  
in your way like an elephant

**C**                    **Dm**  
Gentle smiling  
**Am**        **G**        **F**  
with pointed teeth  
**C**                    **Dm**  
now there's a war between  
**Am**    **G**                        **F**  
my high hopes and me  
**Em**    **Dm**  
So this is how you put an end to things  
**Em**    **Dm**        **F**  
by cutting throats with a smile

**Am** **G** **F**  
I misbehaved  
          **Am** **G** **F**  
I'm in your way  
**Am** **G** **F**    **Em**        **Dm**                **C**  
in your way like an elephant

**G**    **Am**  
But in the corner of my mind  
**G**  
a little angel saying  
          **Am**        **G**                        **F**  
Don't waste your love,  
          **Em**                **Dm**

you love too much
