Sin Sin Sin
Robbie Williams

Intro: **D**

```
D                              G
Don t let your eyes tell the brain
                D
You should feel ashamed
         G
Everyone needs it baby
               D
And I feel the same
                        G
Didn t quite catch your name
D                              G
Hush, hush, hush don t say a thing
                  D
Lets see what the night will bring
            G
It might be everything

Em   A                      D        G
Oh it hurts when you re too blind to see
Em                  A               Em      A
Please don t read my mind I tell the truth to me

D
Sin sin sin
     G
Look where we ve been
    Em          A
And where we are tonight
         D
Hate the sin not the sinner
         G                  Em
I m just after a glimmer of love
    A           D
and life deep inside

D
Hush hush hush
              G
To speak is a sin
            D               G
And neither of us need rescuing
D
Just relax
                      G
It s what Jesus would do
```

```
                         D
We re made in his image baby
                       G
Let s ride this thing through

Em   A                      D        G
Oh it hurts when you re too blind to see
Em        A               Em      A
What about us? Well it was just for me

D
Sin sin sin
     G
Look where we ve been
    Em          A
And where we are tonight
         D
Hate the sin not the sinner
         G                  Em
I m just after a glimmer of love
    A           D
and life deep inside

D                G
I won t sing of amore
         D        G
It don t sound sincere
D         G
Love is a cliché
        Em    A         Em  A
But if its not here I ll disappear

D
Sin sin sin
     G
Look where we ve been
    Em          A
And where we are tonight
         D
Hate the sin not the sinner
         G                  Em
I m just after a glimmer of love
    A           D
and life deep inside

fill: D, G, Em, A
Deep inside

     D
It s loves great sex joy
G               Em
I love you, you love my hate
       A
```

And it feels inside
D
Feels inside
D
Feels inside

outro: **D**
