```
C                       F           C
There is a home out of harms swift way
F       G       C
I set myself to find
  C
I swore to my love I would
F         C
bring her there
F              G      C
Then I left my love behind
    C
The desert was long
    F        C
The mountain high
    F        G         C
The road ran steep and winding
    C           F      C
The promises so easily made
  F         G   C
Unbearable, yet binding

F      C
Oh me, oh my
F           G        C
Who s gonna count my time
F      C
Oh me, oh my
F           G        C
Who s gonna count my time
```

C F C F G C

```
C                F     C
Time will go, it never stays
F      G             C
Memory locked in her passing
C              F        C
Try, oh try to cling to her
    F     G         C
til she becomes everlasting
    C
```

```
The world s still blue
   F            C
My word s still true
F          G       C
I feel I m turning hollow
    C
She does as she please
       F    C
If she ever leaves
     F         G      C
I ll strangle upon my sorrow

F      C
Oh me, oh my
F           G       C
Who s gonna mark my time
F      C
Oh me, oh my
F           G       C
Who s gonna mark my time

C F C  F G C (2x)

    C               F          C
The road is past, tomorrow the sky
  F         G        C
Between sometimes is blinding
C                   F       C
Someday soon when I turn to cloud
       F           G         C
I will find on her wings somehow
C                       F            C
Wrapped in the road and filled with above
    F               G     C
The ground seems to fade away
C                        F        C
Hold to the earth like a new born child
F          G         C
Pray she returns someday

F      C
Oh me, oh my
F           G       C
Who s gonna mark my time
F      C
Oh me, oh my
F           G       C
Who s gonna mark my time

F      C
Oh me, oh my
F           G       C
Who s gonna mark my time
```

F C
Oh me, oh my
F G C
Who s gonna mark my time

F C
Oh me, oh my
F G C
Who s gonna mark my time
F C
Oh me, oh my
F G C
Who s gonna mark my time
