Alethea
Robin Trower

verse 1

```
Dm7                        F        Em
I made life easy just by laughing,
Dm7                          F      Em
I was the first to see the joke.
        Dm7                     F     Em
When he said I m afraid we are losing,
Dm7                            F     Em
don t like the way he gave up hope.

A
Alethea, Alethea,
      G                                F
don t let them put_ the blame on you.
     Dm7
What seems so bad now,
      Am7
could easily change for the better.
```

verse 2

```
Dm7                          F       Em
I turned away from all that hurt me,
Dm7                  F  Em
now just a faded memory.
Dm7                                F    Em
Get on the track that suits you, baby,
Dm7                          F  Em
love the love that wants to be.

A
Alethea, Alethea,
      G                                F
don t let them put_ the blame on you.

What seems so bad now,
