**C** **Em7**  
Who told you love is the Alpha and Omega?  
**Am** **F**  
And that your heart will lead you to the only one?  
**C** **Em7**  
It s a curse, itâ€™s the hammer that will break ya  
**Am** **F**  
It s a poison hidden in a bonbon

**C** **Em7**  
Don t you know love stronger than Jesus?  
**Am** **F**  
Don t you know love can kill anyone?  
**C** **Em7**  
Bring it on, wars and diseases  
**Am** **F**  
You know that love can do you like a shot gun

Can't resist them the sailors and the soldiers  
Taking aim, a rabbit on a rifle range  
Pay no mind to what your mamma told ya  
You're the fool who's chasing down the candy canes

**Dm** **C** **G**  
It's a riddle how lovers can stay alive.  
**F** **C** **D**  
That we bloom and breathe and multiply

**C** **Em7**  
Don't you know love stronger than Jesus?  
**Am** **F**  
Don't you know love can kill anyone?  
**C** **Em7**  
So bring it on, wars and diseases  
**Am** **F**  
You know that love can do you like a shot gun

**C Em7 Am F**  
No, oh no  
**Bb Fmaj7\* G (Gsus4, G)**  
Oh, oh no

See the people heading for disaster  
Standing in line just looking for a little fun  
Love is a fire a hot, hot blaster  
with a vengeance burning in the Congo sun

we're believers, trust in strangers any monkey looking like a savior  
It's a riddle how we're still living now Oh how little we know

Don't you know love stronger than Jesus?  
Don't you know love can kill anyone?  
Bring it on, wars and diseases  
You know that love can do you like a shot gun

Don't you know love stronger than Jesus?  
Don't you know love can kill anyone?  
Bring it on, wars and diseases  
You know that love can do you like a shot gun

Oh, oh no  
Oh, oh no
