I guess it s only right to give someone what they need  
Even if it s nothing they ever wanted in the first place  
I ve seen with my own to eyes the hurt and pain  
That love causes that s why I won t let you go

But nothing s alright and nothing s okay

**Dsus2** **Asus A**

When you live in a memory

**Bm** **Dsus2**  
Just a breakdown of the heart

The tragic ending a farewell to a friendship

**Asus** **A**  
That meant nothing at all

**Bm** **Dsus2**  
You let her in, you let her win

**Dsus4** **Asus** **A**  
Is there anything else
