Moonglow
Rod Stewart

Introd: **G7M Em7 Am7 D7/9-**

```
                            Am7 Cm
It must have been moonglow
                   G A9
Way up in the blue;
                           Am Cdim
It must have been moonglow
 G   Bbm5-/7    Am7         G
That  led  me straight to you.
                         Am7 Cm
I still hear you saying,
                           G A9
 Dear One, hold me fast,
                        Am Cdim
And I start in praying,
     G   Bbm5-/7  Am7        G
 Oh Lord, please let this last.
Bridge:
G   G7/13-         G/F#          E7/9-       E7
We    seemed to float right through the air;
          A9                   Am7             D9 D7/13-
Heavenly songs seemed to come from ev rywhere.
                                Am7 Cm
And now when there s moonglow
                   G A9
Way up in the blue,
                 Am Cdim
I always remember
 G       Bbm5-/7    Am7   G
That moonglow gave me you.
Coda:
G   Bbm5-/7 Am7 Am5-/7  G
That moonglow gave  me  you.
