

I'll Be There
A Change Of Pace

(capo 1ª casa)

C **G**
You felt alone since you were only seven
Am **F**
Your mother didn't have a clue what to do
C **G**
You cried each night until you were eleven
Am **F**
You'd pray to God to bring your daddy back to you
C **G**
it got much worse when you were in high school
Am **F**
From guy to guy you wondered why you never felt a thing
C **G**
You wondered if you'd ever find a lover
Am **F**
who'd someday get down on his knees holding a diamond ring
C **G**
the summer's taking me to California
Am **F**
but I won't go until you know that what I say is true
C **G**
when everything you've ever loved has left you
Am **F** **C**
I'll be there yeah I'll be there for you
