You're The Star
Rod Stewart

Intro:
C#

Verse:
```
             C#
You give me hope
                     G#
When all around was lost
             C#                F#
And I could see no point in trying
    Fm                  Bbm
For I saw love passing by me
     Ebm
You came into my life
     G#
You came into my life
```

Verse:
```
          C#
I look around
            G#
And what I had is gone
           C#
Now, I ve finally found
                F#
What I ve been missing
     Fm                  Bbm
The road I travel is so clear
           Ebm
Since you came into my life
     G#
You came into my life
```
