VERSE

Cm		G#
Well I ve seen that giving up,		
Cm		G#
It has given back to me,		
Cm		G#
And what s left is strong and true,		
		Cm
And I built it next to you,		
		G#
I ve waited, I ve failed, and I ve wanted,		
Now I ve got it,		
A#		G#
And I hold my hand to touch the skyline,		

CHORUS:

D#		
I awake from sleeping,		
A#		
This wide-eyed dreaming,		
Cm	A#	G#
Was always there for me,		
D#		
Now I wait these reasons,		
A#		
With changing seasons,		
Cm	A#	G#

You were there for me,

VERSE

Cm **G#**
And I m making up my time (And I m making up my time)

Cm **G#**
Through time zones and city lines,

Cm **G#**
And these days are long but new,

Cm
And I share them next to you,

G#
The postcards and mail that needs sending,

I m forgetting to send them at all,
A# **G#**
When I die they will follow you home,

CHORUS:

D#
I awake from sleeping,
A#
This wide-eyed dreaming,
Cm **A#** **G#**
Was always enough for me,
D#
Now I break these reasons,
A#
Through changing seasons,
Cm **A#** **G#**
You were there for me

Cm **G#**
Now I m given the chance that I want,
A# **Cm**
I will do it and I ll do it well,
G#
And for those who have stood by my side,
A# **D#**
You are the story I tell,

D# **A#**
This is everything I want,
Cm
This is everything I need,
A# **G#**
This is everything I want,
A#
This is everything I need,

D#

Well I awake from sleeping,

A#

This wide-eyed dreaming,

Cm **A#** **G#**

You were there for me,

D#

Now I break this reason,

A#

Through changing seasons,

Cm **A#** **G#**

You were there for me,

D#

You were always there for me.
