

The Rocking Chair Years

A Day At The Fair

C **G/B** **Am**
This is taking on the world
 G **F**
This is letting out the ghosts
 G
cause I m strong enough
 C
to know what I love the most

G/B **Am**
This is everything I have
G **F**
everything I know
 G
It s too late to call the past
 Am
to bring me home
 F **G** **Am**
And I still love the things I lost that brought me here
 F **G** **F**
The things I hide behind to make up for the years
 G **C**
This is my heart, the rocking chair years
