G--Cadd9--Em--Gsus (x2)

G **Cadd9**
Remember when I tried
Em **Gsus**
I d never strayed too far from you
G **Cadd9**
Forever by your side
Em **Gsus**
No matter what I was going through
G **Cadd9**
But now I never know the things to say to you
Em **Gsus**
That help me prove that I m still on your side
G **Cadd9**
I never show just what you do to me
Em **Gsus**
Guess I m what s always wrong

Chorus:

G **Cadd9**
I hate this town, it s so washed up
Em **Gsus**
And all my friends don t give a fuck
G **Cadd9**
They ll tell me that it s just bad luck
Em **Gsus**
When will I find where I fit in

G Cadd9
 I hate this town
Em Gsus
 Cause no one can understand,
G Cadd9
 I just can't be tied down
Em Gsus
 Nothing comes between me and my plans
G Cadd9
 So now I never know the things to say to you
Em Gsus
 That help me prove that I'm still on your side
G Cadd9
 I never show just what you do to me
Em Gsus
 Guess I'm what's always wrong

Chorus

Cadd9 Em
 And don't believe a word they're telling to you
Cadd9 Em Cadd9
 Don't believe a word they're telling to you
Em
 They let me down
Gsus
 When will I find where I fit in

 I hate this town

Bridge:

Em Cadd9
 Won't let a world gone mad ever bring me down
G
 Gave everything I had to turn it back around
 Cause our times worth something

Gsus
 Bigger than both you and me
Em Cadd9
 I can't live my life always backing down
G
 I gotta do this right so they can't make a sound
 Cause I'm not here for nothing
Gsus Em
 Least I can say I stand for something
Cadd9 G Gsus
 You and me we stand for something

Chorus

Cadd9

Em

And don't believe a word they're telling to you

Cadd9

Em

Cadd9

Don't believe a word they're telling to you

Em

They let me down

Gsus

When will I find where I fit in

I hate this town...

Yay! :) OK, ENJOY IT!
